FREEDOM OF INFORMATION ACT POSTING

The purpose of the Freedom of Information Act (“FOIA”) is to ensure that all persons are entitled to full and complete information regarding the affairs of government, and the official acts and policies of those who represent them as public officials (5ILCS 140/1). Pursuant to FOIA, the following information is made available to the general public:

BACKGROUND INFORMATION

The purpose of the Jo Daviess County Health Department is to provide public health services to the people of Jo Daviess County. Public health is the Science and Art of:

- 1) preventing disease
- 2) prolonging life
- 3) promoting health through an organized community effort.

Public health is dedicated to the common attainment of the highest level of physical, mental, and social well-being and longevity consistent with available knowledge and resources at any given time and place. In essence, this is the goal of public health.

Public health is not limited to a particular age group or a diagnostic category but rather, its dominant responsibility is to the community as a whole. The five basic functions of public health include:

- 1) health promotion,
- 2) disease prevention,
- 3) early detection of disease,
- 4) disease control, and
- 5) health maintenance and rehabilitation.

These functions are fulfilled through various public health programs and services provided by the Jo Daviess County Health Department.

The primary objective of the Jo Daviess County Health Department is to respond to the public health needs of the county on an ongoing basis. Since the health needs of a county are influenced by a variety of political, social and economic trends, the Health Department assumes responsibility for prioritizing public health needs and to develop objectives responding to those needs on an annual basis. Any services provided by the Jo Daviess County Health Department will reflect the standards, objectives, and goals established by the Illinois Department of Health.

EMPLOYEES: The Jo Daviess County Public Health Department employs nine full-time and one part-time employees.

BUDGET: The total operating budget for the Jo Daviess County Public Health Department for the Fiscal Year 2016 is \$902,050 for Public Health Fund, \$38,192 for Public Health Emergency Preparedness, \$200,000 for Catastrophic Emergency, and \$45,000 for Public Health Capital Investment.

BOARDS: The Jo Daviess County Public Health Department reports to the Jo Daviess County Board, Jo Daviess County Board Social and Environmental Committee, and the Jo Daviess County Board of Health.
